UNIDESIGN

Non-Slip sticker

For your safety and accent in bathroom

Decorate bathroom bottom and bathtub
and prevent sliding accident

10 x 10 cm

14 x 14 cm

BEFORE

AFTER

A lovely pig
10 x 10 cm

Unidesign's Non-slip sticker will make your slippery bath floor safe and neat. It is waterproof and has strong adhesion (over 3000 grams), so does not fall off even if it gets wet. It's semi-permanent and easy to install.

The variety of design gives you a wide range of choice to decorate your own bath room. The product works better on bare foot and soft enough to step on. Unidesign's Non-slip sticker is not only for slippery bath floor, but also for cracked floor. You can easily cover indelible dirt or cracks. Also, its edges have been made into round shapes to avoid the risk of getting injured.

Under the light

in the dark

One sheep
10 x 10 cm

UNIDESIGN's Non-slip sticker sheep line is featured with not only non-slip design, it has a light emitting line on the non-slip sticker, so it glows in the dark. They can be used semi-permanently as they absorb light when it's bright and glow in the dark. In addition to purpose of the decoration, you can use them to guide you in the dark.

Using eco-friendly ink
No detection of formaldehyde,
phthalate, cadmium

**KCL Children product
co-safety test**

SU16-00800, SU16-00799, SU16-00801

Non-slip sticker has been certified by KCL that proves that it does not contain harmful substances including phthalate or dioxine. Unlike other products that are known to contain heavy metals such as cadmium and mercury, it is safe to use.

UNIDESIGN

Point sticker

Breathe new life into your house

Designed in four types of flowers that are most popular, it is the best suitable for those who like fancy atmosphere

50 x 70 cm

UNIDESIGN Point Sticker can be attached to various spaces including wallpaper, furniture, interior accessories, and glass with no restrictions.

Remaining space other than the image has been made in transparent in order to enable the sticker to look more natural when attached. As printed on transparent material, the sticker will show clearly even on the other side, when attached on glasses or other transparent surfaces.

Also, UNIDESIGN's Point Stickers are easy to attach, remove, and reposition. The remover enables easy removal of the point sticker, leaving no damages to the wallpaper.

The surface of the sticker is smooth and soft and it is scratch-resistant

Using eco-friendly ink
No detection of formaldehyde,
phthalate, cadmium

Environment test

CT13-104680

Point sticker has been certified by KCL that proves that it does not contain harmful substances including phthalate or dioxine. Unlike other products that are known to contain heavy metals such as cadmium and mercury, it is safe to use.
